

YOUR BRAND. YOUR WAY.

AdOne offers six high-quality imprinting methods. Each method has its own unique look, allowing you to choose the one that delivers the greatest impact for your brand.

HXD

- Creates subtle 3-D pop
- Well-suited for wovens, baseball caps, softshell jackets and polos
- Adds reflective quality
- High-impact alternative

InFusion

- Perfect for retail fashion looks
- Razor-sharp detail
- Permanent image
- Breathable and touchless decoration

True Edge Transfer

- 4-color process or spot color
- Good alternative to embroidery for thin garments
- No contours required

Embroidery

- Classic look
- Precision-engineered production capability for exceptional detail
- Popular choice for left/right chest, left/right bicep decoration

Laser

- Topical application that can be placed over seams and zippers
- Smooth finish with a glossy look
- Best for mid-range colors
- Unlimited washability

Deboss

- Applicable at most locations
- Subtle tone-on-tone look
- Unlimited washability
- Only works on polyester
