SMART WEB SOLUTIONS

AdOne has been developing attractive and multi-functional web sites for over 15 years. In that time, we have been privileged to design sites for businesses and organizations across a wide spectrum of industries including service, manufacturing, tourism, lodging, dining and hospitality. Our designers work to educate themselves on the latest web trends, so that we can provide our clients with creative solutions to interact with their customers online.

We offer a full-range of web services, including:

- **CONTENT MANAGEMENT SYSTEMS** – Interface giving you the ability to update text and photos on your site
- **SITE MODULES** – Interactive maps, calendars, search functions, contact forms, video links and much more
- **SEARCH ENGINE OPTIMIZATION** – Helps increase web traffic to web sites through search engines like Google
- **EMAIL BLASTS** – Send marketing messages directly to your established visitors for just pennies per email
- **YOUTURN** – Produce interactive electronic presentations of your brochures, catalogs, menus or sales flyers

ADONE PROJECT

Profile: GRIT PRINTING & DIRECT MAIL
www.gritprinting.com

AdOne worked with Grit Printing to create a professional, modern look for their site, as well as, an easy-to-use interface for their existing client portal.

ADONE PROJECT

Profile: ENERGY AVIATION
www.energyipt.com

AdOne recently launched this content management site allowing Energy Aviation to update their own text and photos as needed.
